About the World Energy Council

Formed in 1923, the World Energy Council is the world's leading member-based network of global energy transition leaders and practitioners. The not-for-profit organisation represents the world's only truly impartial and technologically neutral energy community with more than 3,000-member organization in nearly 90 countries encompassing the public, private and academic sectors. We develop practical "how to" solutions and convene the global energy-plus community to enable access to clean, affordable and reliable energy for better lives and a healthier planet.

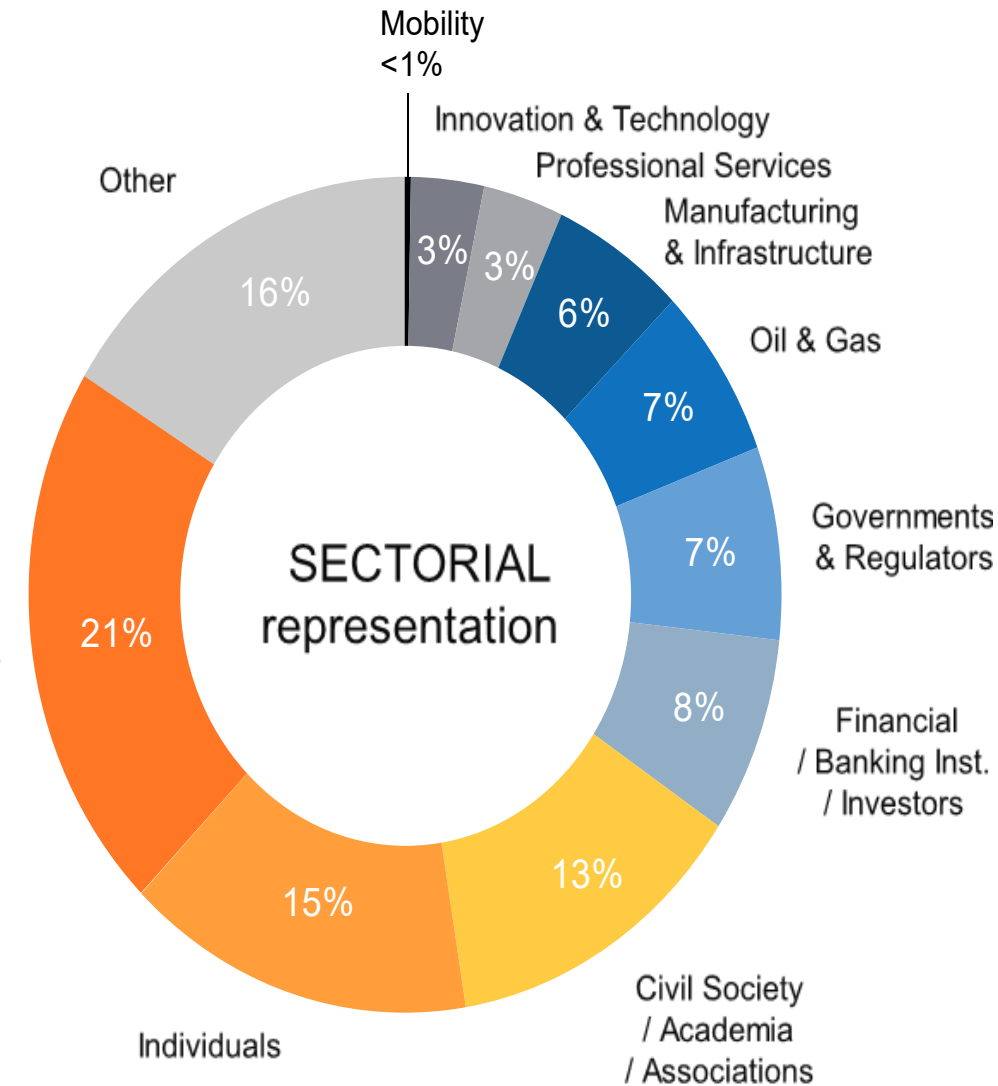

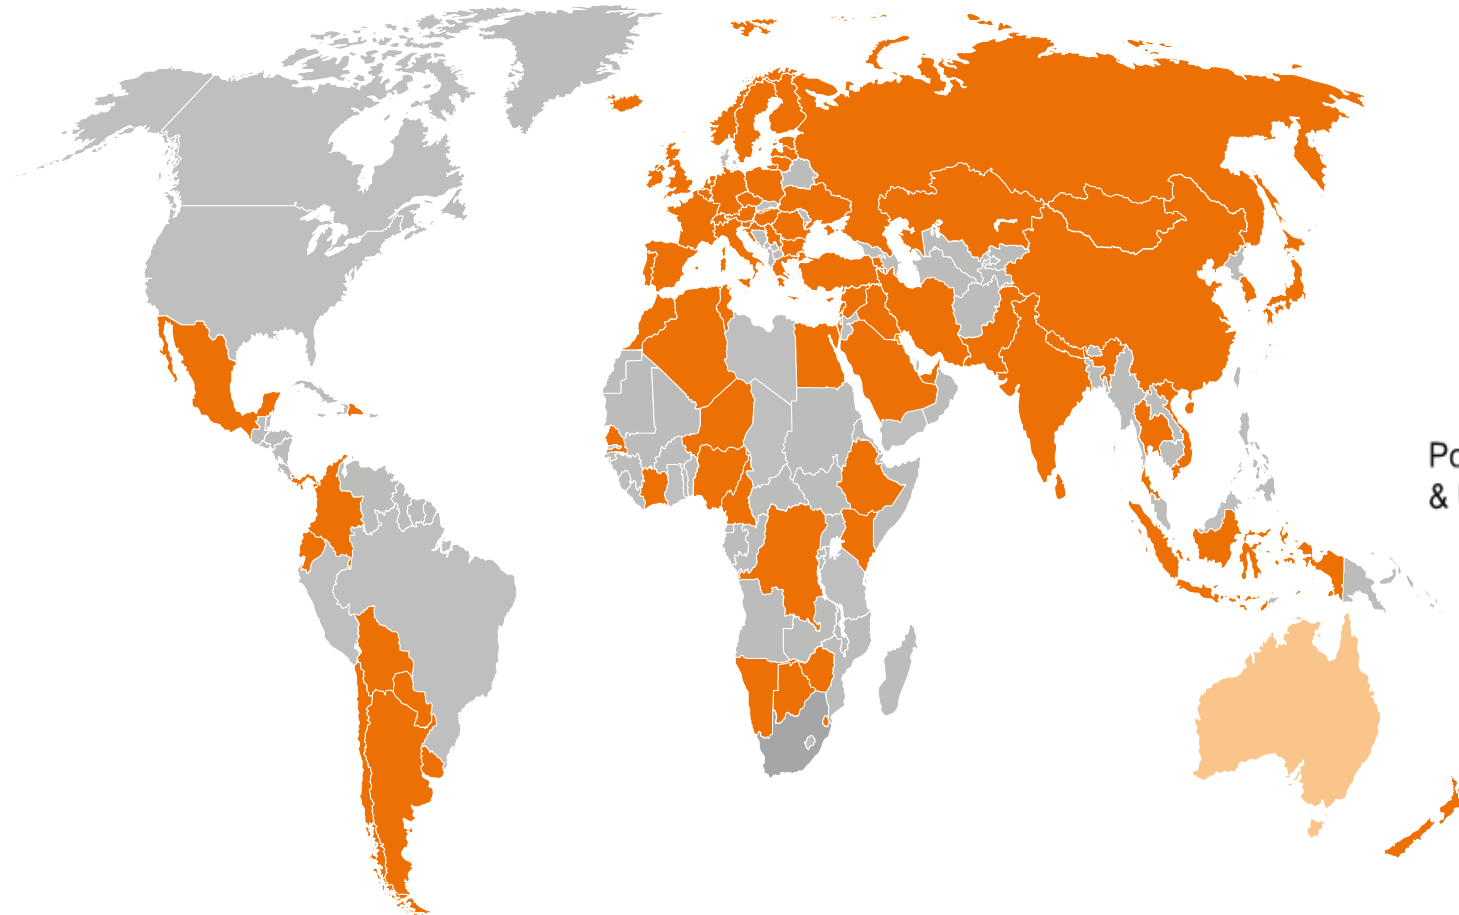

成立于1923年的世界能源理事会是全球最大的以促进能源转型为目标的高端非盈利组织及中立能源社区，提供给所有大能源领域领导人沟通交流以确保人类用上安全，可承受及可维持性的能源。目前有接近90个国家委员会及3000多个来自政府，企业，民间机构的专家会员。

World Energy Council's enduring mission have evolved through three different eras of energy transition over last 97 years

Presence across the world 国家委员会地理及行业分布

Closing major gaps in global and whole system representation

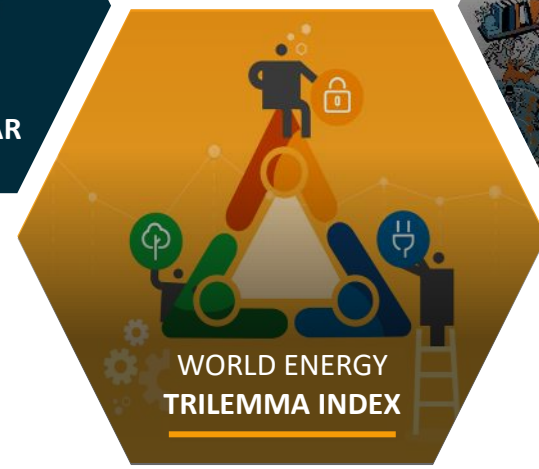

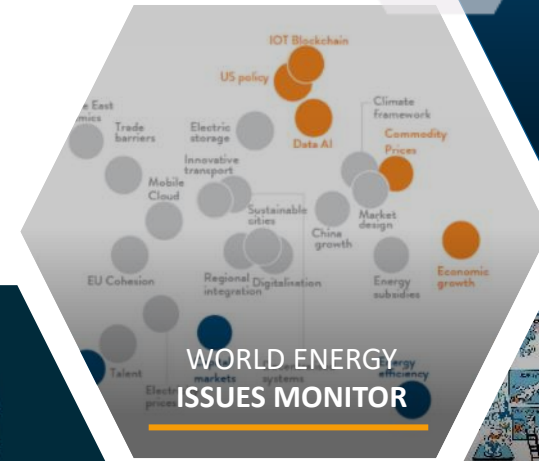

*82 Member Committees and 2 Direct Members

The Council's tools to equip transition leaders 能源转型工具

Successful energy transition is not straightforward and reflects more than a single-issue challenge. We leverage our regional and sectoral diversity to bring unique insights, tools and know-how to our community.

Our pragmatic [World Energy Transition Toolkit](#) comprises interactive tools which can be used individually or combined to inform agile and adaptable business strategies and policies and to drive a humanised approach to energy.

理事会伦敦秘书处专设精简的研究团队为我们全球能源社区提供5个能源转型工具：世界能源三难指数，世界能源议题，世界能源远景，世界能源转型跟踪及能源创新（氢能，储能，区块链，大数据等）

Key events 主要活动

The Council has been at the forefront of the energy debate for nearly a century, guiding thinking and driving action around the world to achieve sustainable energy for all

Global Events 全球性活动

The World Energy Council organises a series of high-level events for the global energy leaders' community. These include the triennial [World Energy Congress](#), the annual [World Energy Week](#), [World Energy Leaders' Summits](#) and World Energy Leaders' Dialogues. Participants include Heads of State, Ministers, global CEOs and industry experts. 三年一度的世界能源大会及年度世界能源周聚集全球能源领导人

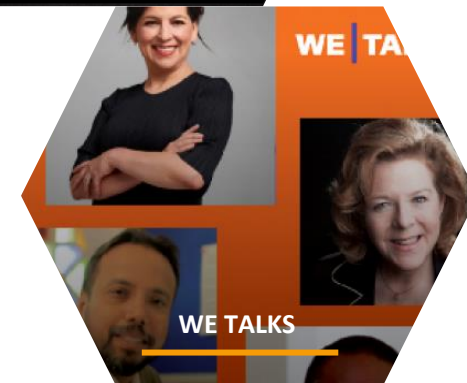

Regional/National Events 区域性活动

A number of regional and national events are organised by the Council's member committees, focusing specifically on regional and national energy issues. A [full list of events](#) can be found on the Council's website. The World Energy Council also organises workshops through which industry leaders and practitioners meet regularly to share their expertise and work on the globally renowned World Energy Council studies. The latest update available on the Council's [website](#).

区域及各国当地的活动都是由国家委员会承办，网站链接有详细资料。

Other International Events 其他国际组织交流

As one of the world's most influential energy organisations, the Council is regularly invited to speak and share insights from its highly regarded studies at key international events such as the Clean Energy Ministerial, United Nations Conference of the Parties (St Petersburg International Economic Forum and Sustainable Energy for All forum. 作为全球最有影响力的能源机构我们积极参与其他国际组织的重要活动如清洁能源部长峰会及联合国下属的各种相关高端会议包括圣彼得堡国际论坛及可持续性能源论坛等)

Member Committee

Benefits

BE PART OF THE ENERGY HUB

Build your network

Create business opportunities through the network of nearly 100 countries. Get access to governments, development banks, leading energy companies, and innovators.

Strengthen skills

Shape the talent of tomorrow through a national Future Energy Leaders programme. Generate revenue and build capacity through the World Energy Academy.

DEVELOP AND INFLUENCE GLOBAL ENERGY THINKING

Share expertise on energy issues

Get involved in working groups through national experts, and provide feedback on content

Influence content through evidence

Contribute to the Council's surveys to make sure that your country's perspective is reflected

Bring issues to the agenda

Complete the annual Issues Monitor survey and ask a minimum of 50 representations, so that the Council can generate a national map.

Member Committee

Benefits

BE PART OF GLOBAL, REGIONAL, AND NATIONAL EVENTS

Share perspectives

Participate in World Energy Council events, at the regional and global level

Network with high-level stakeholders

Attend and promote the World Energy Congress, and ensure that your country is widely represented. Identify key speakers from your country.

Attract leaders and business

Organise at least one event per year with/for your members. Organise your own national launch events and media campaigns. Use the Council's content to determine a topic for your event.

STRENGTHEN YOUR BRAND AND REPUTATION

Strengthen your Committee

Benefit from 5% discount on your subscription when paying before the end of February. Increase your membership base and its diversity.

Build your national brand

Promote your logo and strengthen your link with the global energy leaders' network.

Visibility

Celebrate your success with the global network by leveraging on all communications channels available.
