educage.

Data protection.

CPD Accredited courses, GDPR compliance preparation, audits and DPO services for organisations across the UK, EU and beyond. From **one-off consulting** to **fully outsourced Data Protection Officer** support, we help you meet your obligations with confidence - based in Hungary, Austria and the United Kingdom, serving clients worldwide.

→ EU GDPR Consulting

Compliance assessments tailored to your organisation, support for new processing activities (newsletters, CCTV, and more), and expert opinions on specific data protection questions.

→ External DPO Services (EU/EEA & UK)

Outsourced Data Protection Officer support: monthly tailored documentation, breach management, DPIAs and Legitimate Interest Assessments, staff training and ongoing expert advice.

→ EU GDPR Compliance Preparation

Full-scale audit with a detailed written assessment, preparation of missing or inadequate documentation, staff training, and a follow-up review after six months.

→ Data Breach Management

Investigation and reporting of incidents, immediate and long-term mitigation, notification of individuals and authorities, and training to prevent recurrence - within the 72-hour window.

→ ISO 27001 & ISO 27701 Internal Audit

Independent internal audits against ISO 27001 (information security) and ISO 27701 (privacy information management), with findings documented and reported to management.

→ Data Protection Documents

When a full audit isn't needed, we prepare and implement the specific EU GDPR documentation your organisation requires - policies, notices, registers and records.

→ EU & UK Representative Services

Official EU and UK GDPR Representative duties for organisations established outside the EU/EEA or the UK, handling communication with supervisory authorities and data subjects on your behalf.

→ Why Educage

Member of CPD, ABI and W.A.D., insured through Policy Bee, and proud supporters of the Armed Forces Covenant - practical, hands-on data protection expertise trusted across Hungary, Austria and the UK.

Fair Payment Code — Gold, until 2028

→ Training Courses
