International stylists

"Good Day,
I hope this email finds you well.
I'm requesting on behalf of Jamie Mizrahi for **Katy Perry**. She is attending the **DVF awards** where she is also being honored. She specifically liked this Rocio clutch and we were curious if it would be available to ship to be received by Thursday AM delivery in NY?"
Jamie Mizrahi Styling

"Hi there hamish!
I'm writing on behalf of Shab Mohammad and Gaelle Paul who are dressing **Adele for the Grammys** this weekend. We love your clutches! Do you have PR in Los Angeles and would you be available to loan? Please advise.
Thank you!"
Tara Ahmadi

"Hope all is well!
Mel is styling **Rihanna for Met Ball**, and we'd love to request evening bags from ROCIO. Let me know if you have an accessories lookbook I could choose from."
Vesper Wolfe

Customer comments

"Hi Samantha,
I just wanted to thank you for arranging for this beautiful clutch to be shipped to me on time. I absolutely love it and you made the whole experience a pleasure. Really fantastic service.
Thank you again,"
Maria Rassam - London, NW8 6EX

"Good morning Hamish. Many thanks for the bag which did arrive yesterday, but did not manage to 'escape' to pick it up from the concierge! Just got it and as usual, a stunning piece of work! Thanks a million and bound to be in contact again soon! All the best!"
Steve Vassiliades - London, SW1P 4LY

"Dear Hamish,
I received my piece today. I want to thank you and all your craftsmen who worked on the piece. It is perfection and one would never know that anything happened to it. I have posted on Instagram my impression of your wonderful work. Thank you"
Pat Garrity - Southampton, NY 11968

ROCÍO®

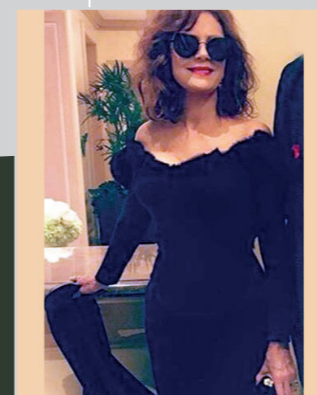

Rocio is a luxury creative label. Founded & based in Scotland by designer Hamish Menzies.

The fashionable brand creates **the most unique handbags in the world** using only **sustainable woods** and complimented with the finest of contemporary materials.

Raising awareness by using **sustainable and fast growing woods** to help restore unsustainable woods and species lost through the course of time.

Unique artisan manufacturing methods merge with quality and artistry to make the **Rocio brand the definition of luxury**. Our bags possess a rarity and glamour that have made them firm favourites of celebrities and consumers alike. Rocio designs have helped **make sustainability fashionable**.

Susan Sarandon
Emmy Awards
With Rocio Clementine Black

Irina Shayk
Unitas Gala
With Rocio Clementine Red

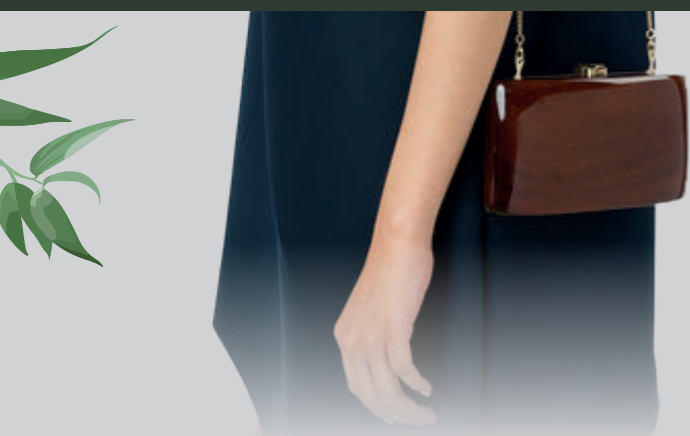

Sharam Diniz
De Grisogono
With Rocio Clementine Fuchsia

Kate Upton
Harpers Bazaar
With Rocio Clementine White

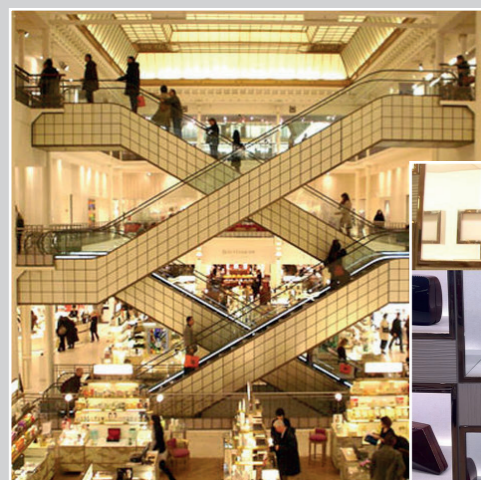

The timeless designs are created over a meticulous **19 stage process** with individual creation times of upto 4 weeks. It is this extraordinary attention to detail that **truly defines Rocio** & ensures that each client receives not only a beautiful accessory but a unique work of art **epitomising eco-luxury, style and glamour in its purest sense**.

Nurture nature:

We are proud to support the **"tree for life"** initiative which is an award-winning charity working to restore Scotland's Caledonian Forest. The vision is to restore natural forests and rare wildlife to a spectacular wilderness region of the **Scottish Highlands**.
