INTRODUCTION

Welcome to Snow Paw UK, specialists in fine Harris Tweed footwear and accessories.

We blend traditional Scottish heritage with modern design,
along with five-star customer service.

Established in 2010, we now supply footwear across the U.K. in both our own shops and alongside our stockists. This year has been Snow Paw's best yet, having been crowned Edinburgh's Best Independent Retailer 2018.

We are proud to introduce our latest collection, shot in the beautiful grounds of the enchanting Stobo Castle, one of Scotland's most iconic landmarks. This season's collection promises to be one of the most popular to date, having experienced great success at the Royal Highland Show.

We aim to supply everyone with the highest quality in footwear, and our dedicated customer service team are always on hand to answer any queries or questions.

BECOME A STOCKIST

We are delighted that you are interested in becoming one of our stockists and we would like to welcome you to the Snow Paw UK family. Below you will find some helpful information about joining us.

We aim to try not to supply stockists which are in close proximity with others where possible. Exclusivity can be discussed but is subject to sales targets and area size.

We ask that our stockists order a minimum of 20 items per order.

If you are interested in becoming a stockist with us, we will set you up with an account on our website www.snowpawuk.com, where you can log on to place orders at our wholesale prices.

UK CUSTOMERS

For your first order, we will verify the items we have in stock for you and will send you a Pro Forma invoice. We ask that this is paid within 15 working days after you receive it. Once it has been paid, we will send the stock out for you.

After your first order, invoices will be issued with terms of 30 days credit.

Orders over £500 will qualify for free shipping. If you order under this amount, the shipping fee is £3.99 or £5.99 if next day delivery is required.

INTERNATIONAL CUSTOMERS

All orders placed for stores outside the UK will be on a Pro Forma basis. We ask that all Pro Forma invoices that are issued are paid within 15 working days.

Shipping fees will be calculated depending on the size of each order. The approximated shipping cost will be added to your Pro Forma invoice. Orders will not be sent until Pro Forma invoices are paid.
